The total amount of this Contract will not exceed \$11,437,500 (\$2,287,500 in fiscal year 2016 and \$9,150,000 in fiscal year 2017). All expenditures on this Contract will be actual costs that derive from services provided and related expenses that are eligible for reimbursement under this Contract in accordance with federal and state laws; Code of Federal Regulations (C.F.R.) TPCN will submit an invoice along with the Program Report to the Contract Representative identified in Section X, in a manner acceptable to HHSC, by the twentieth day after the last day of each month in which services were provided. Upon HHSC request, TPCN will provide any additional information to the degree of detail necessary to resolve any review, examination, inquiry or audit by HHSC or any other responsible authority.

If TPCN provides services under multiple contracts, it must maintain an accounting system that separates expenditures by contract to ensure appropriate expense allocation and contract billing (i.e. fund accounting). Payments are subject to the restrictions in Section 1.7.2, 2.9 and 2.10 of the RFP. HHSC reserves the right to recoup and overpayments, improper payments, unsupportable payments, or otherwise do not meet the requirements of the Contract. TPCN must repay HHSC any such recoupment within the timeframe specified by HHSC or, at HHSC's sole option, HHSC may offset the overpayment by reducing subsequent payment(s) to TPCN by such amount.

TPCN must obtain HHSC's prior written approval for any fund transfers among approved budget categories that will singularly or cumulatively exceed ten percent (10%) of the total contract budget. TPCN must ensure that any budget revision is in compliance with the terms and conditions of this Contract, is for allowable expenses only, and does not change the scope of this Contract.
